In response to a recommendation by the Overview and Scrutiny Committee, an additional recommendation is made as overleaf:-

REVISED RECOMMENDATION

- (1) That the Community Strategy 2016-2021 be adopted.
- (2) That a £10k funding reserve be made available, to be managed by the Cabinet Member for Community Services and the Head of Community Services as the Council's representatives to Chichester in Partnership, in order to attract match funding to support new or existing projects with proven benefits to vulnerable residents that would otherwise fail for lack of short term funding.

There is no change to the recommendation to the Council, but the Cabinet asked for a further report later in the year on any significant changes in market conditions that may affect this Strategy.
