

## Notice of forthcoming key decisions and/or decisions to be taken in private

Local authorities are required to publish a Notice of Key Decisions and/or of their intention to hold a meeting of the Executive (the Cabinet) in private at least 28 clear days before the meeting. This notice sets out key decisions and/or decisions to be taken in private at the meeting of the Cabinet on the date below, which have not been included in previously published statutory notices (the Forward Plan). In accordance with Part 2, Regulation 5, of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the Chair of the Overview and Scrutiny Committee has been consulted and has agreed that the item is urgent and cannot reasonably be delayed.

Issue	Section 106 Allocation - Donnington Parish Hall
Decision taker	Cabinet
Date of meeting	10 Apr 2018
Key decision reason (if appropriate)	It is likely to incur expenditure, generate income, or produce savings greater than £100,000.
Reason for exemption (if appropriate)	The Part II appendix to the Part I agenda report contains details of quotations received from contractors who have bid to provide community facilities at Donnington and this information relates to the financial or business affairs of any particular person (including the authority holding that information).
Reason for urgency	This report was on the Forward Plan however the report was not marked as exempt. The reason given by as to the inclusion of Part 2 information follows: The report as drafted was intended to be a Part 1 report, but given the value of the funding to be released, senior officers have requested further detail of the tender process and results. In discussion with Donnington PCC it was agreed that the information could be shared to inform decision making, but was considered commercially sensitive and preferred for it not to be in the public domain. The detail of bids has some competitive benefit to unsuccessful tenderers, and the detail of the funding available for the project would have some advantage to the contractor.

DIANE SHEPHERD  
Chief Executive
