Please state the ground(s) for making the representation

(a) The prevention of crime and disorder

[Empty box for details]

(b) Public safety

(c) The prevention of public nuisance

The overriding concern we have relates to potential noise and smoking OUTSIDE the hotel which will have a direct and significant impact upon the peaceful enjoyment of our own home and garden which adjoins the East Walls hotel.

Particular concerns are: - time of evening when residents may be drinking/smoking at the back of the hotel;

- this is a very quiet residential environment and there is no shortage of outside bar/drinking establishments in the town & nearby; free standing heaters can keep people outdoors (and very noisy) well into the night

I support the fact that the hotel should be licensed; it's the use of it that I would like to

(d) The protection of children from harm

make sure it is managed sensitively!

Please provide any additional information to support this representation

Although there is a wall between our properties,
noise^u travels easily and we are only metres
apart.
