Matter in respect of which the decision is to be made	<b>Public Space Protection Order for Dog and Environmental Related Offences</b> Public Spaces Protection Orders (PSPO's) are intended to provide means of preventing individuals or groups committing anti-social behaviour in a public space where the behaviour is having, or likely to have, a detrimental effect on the quality of life of those in the locality; be persistent or continuing in nature and be unreasonable. An order, if granted, gives additional powers to the Council and Police to issue notices to individuals breaching the PSPO by carrying out specific identified types of nuisance. The initial view is that a district wide consultation will be undertaken for various environmental and dog offences including dog fouling, dogs on lead by direction, prohibition of dogs.  The dog offences are currently controlled by Dog Control Orders but in accordance with the transition provisions in the anti-social behaviour legislation, these must be replaced by a PSPO by 1 October 2017.  To consider the results of the consultation.

Matter in respect of which the decision is to be made	<p><b>Road Space Audit</b> Along with many towns and cities across the UK Chichester faces a number of challenges – it must accommodate significant new development, both residential and commercial, whilst preserving its historic character. Parking is particularly problematic, with high demands and constraints in meeting supply in the area of greatest demand. West Sussex County Council has appointed consultants (WSP Parsons Brinckerhoff) to consider the parking issues and use of road space in Chichester city to consider the challenges and consider how these might be affected by emerging strategies and plans in the area, along with consideration of the changing role of the high street. The work undertaken will set the way for a strategic vision for parking within the city.</p> <p>This report to members will provide an update on the work undertaken so far and will request consideration of the proposals which are being put forward.</p>
