2. Recommendation

- 2.1. **That the Annual Council appoints members to serve on committees for 2017-2018 including their chairmen and vice-chairmen as set out in the appendix to this report, subject to decisions on the previous agenda item regarding political balance arrangements and subject to the nominations proposed by the party group leaders.**

3. Background

- 3.1. The attached appendix sets out the membership of committees in 2016-2017 with the changes made to the membership for the year 2017-2018 embedded within each table:
- The name of the committee
 - The constitution and number of members
 - The political balance where applicable
 - Any rules relating to membership
 - The 2016-2017 membership and the proposed changes to membership in 2017-2018

Appointments to these committees are to be made by the Annual Council.
