

## Appendix 6 : Community Infrastructure Levy Contributions

- 1.1. The Community Infrastructure levy (CIL) is a mechanism to allow local planning authorities to seek to raise funds from new development in the form of a levy, in order to contribute to the cost of infrastructure projects that are needed to support new development.
- 1.2. The Council adopted a Community Infrastructure Levy Charging Schedule on 26 January 2016, which took effect from 1 February 2016. The money generated will contribute to the funding of infrastructure to support growth within the Local Plan area. (The South Downs National Park Authority has implemented its own CIL for the parts of the district within the SDNP). The CIL is applied as a charge per GIA square metre as set out in Table A below.

**Table A: CIL Charging Schedule**

Use of Development	Levy (£per square metre)
*Residential - South of the National Park	£120
*Residential - North of the National Park	£200
Retail (wholly or mainly convenience)	£125
Retail (wholly of mainly comparison)	£20
Purpose Built Student Housing	£30
Standard Charge (applies to all development not separately defined)	£0
* This charge applies to the creation of one or more dwellings, and residential extensions or annexes which are 100 square metres or more gross internal area which are not for the benefit of the owner/occupier. This charge does not apply to residential institutions (C2).	
Note: The CIL rates will be index linked from the base year to the date when permission is granted using the 'All-in Tender Price Index' published by the Building Cost Information Service of the Royal Institute of Chartered Surveyors.	

- 1.3. The CIL is to be used to help provide infrastructure to support the development of an area rather than making an individual planning application acceptable in planning terms (which is the purpose of section 106 Agreements). CIL does not fully replace Section 106 Agreements.
- 1.4. The infrastructure projects that the CIL will be used to fund are identified in the CIL spending plan which can be found within the Infrastructure Business Plan (IBP) published on the council's website:  
<http://www.chichester.gov.uk/article/27165/Infrastructure-Business-Plan-including-CIL-Spending-Plan>
- 1.5. The CIL Regulations require a proportion of CIL receipts to be handed to the local town or parish council in the area where CIL liable development takes place. The CIL share to be passed to the parish council is set at 15% of the

relevant CIL receipts with a cap of £100 per existing council tax dwelling each year. Where a Neighbourhood Development Plan has been made the share of CIL share will be 25% (uncapped).

1.6. CIL collecting authorities (Chichester District Council) are required to publish a short report on the levy on their website by 31 December each year, for the previous financial year. This report covers the period from 1 April 2016 to 31 March 2017.

1.7. Section 4 of Regulation 62 of the Community Infrastructure Levy Regulations 2010 (as amended) outlines the information that should be included in the report. Table B below provides the information required by the regulation for the 2016/17 financial year and in the left hand column reference is made to the CIL Regulations 62 (3) and (4).
