The following matter will be considered as a late item within (a) above.

*Recommendation of the Overview and Scrutiny Committee: Supporting Chichester Business Improvement District*

At its meeting on 13 June 2017 the Overview and Scrutiny Committee (OSC) considered an agenda report and appendix about Supporting Chichester Business Improvement District.

The report and appendix are in the public domain and together with the draft minutes of that meeting are to be treated as background papers for the purposes of this agenda supplement and they may be viewed on Chichester District Council's web-site via the following link:

The report contained a recommendation for the OSC to (a) consider the level of support provided by Chichester District Council to Chichester Business Improvement District, (b) review the initiatives undertaken to better deliver our joint objectives and (c) make any recommendations to the Cabinet.

At the conclusion of its deliberations the OSC made two resolutions and also a recommendation to the Cabinet as follows:

## **RESOLVED**

- (1) That the support currently provided by the Council to Chichester BID to deliver joint objectives be noted.
- (2) That regular briefing and updates on issues which the BID wishes to promote are provided to members in the monthly *Members Bulletin* for information.

## **RECOMMENDATION TO THE CABINET**

- (3) That the Council carry out early consultation with the BID in relation to proposals which affect the city such as transport issues, Local Plan development and Southern Gateway.

The Cabinet is requested to consider the OSC's aforementioned recommendation.
