### Public Question and Answers Sheet

#### Question from Simon Oakley:

Noting the CDC Cabinet Decision made on 6th December 2022 (Minute 53), what, if any, progress has been made with regards replacing the existing T.S. Chichester Sea Cadet building on the CDC owned site adjacent to Florence Park, with a facility that would provide not only a modern building for that youth organisation but also community hall facility for the central Eastern part of Chichester City which at present does not have one.

#### Answer from Cllr Moss:

Thank you Simon for your question. As you will be aware this is a site and location that is of interest to many people to try and bring forward a community building on this site. The site is currently leased to the Sea Cadets and as such it is for them to bring forward proposals for a new building. Officers continue to work with the Sea Cadets in accordance with the Cabinet Decision made on 6 December 2022 (Minute 53) to achieve a successful outcome.
