2.2. That the Council approves the Resolutions in Appendix A.

3. Main Report

3.1 Introduction

3.1.1 The Cabinet at its meeting on 6 February 2018 recommended that Council approve a £5.00 Council Tax increase for 2018-19. The purpose of this report is to enable Council to make the necessary resolutions in relation to the setting of Council Tax for 2018-19.

3.1.2 Since the February Cabinet meeting the final local government settlement has been announced. This included a small increase in overall funding of £41,100. In accordance with the cabinet recommendations, this has been dealt with by increasing the Investment Opportunity Reserve contribution, which has increased from £820,200 to £861,300.

3.1.3 Section 30(1) of the Local Government Finance Act 1992 requires the Council to set an amount of Council Tax each financial year for each category of

dwelling in its area. Chichester District Council, as a billing authority for the purposes of Council Tax, is required to set its Council Tax before 11 March in the financial year preceding that for which the Council Tax is set.

- 3.1.4 These amounts are based on the Council's own budget, plus precepts from Parish Councils where applicable, plus shares of the budget for West Sussex County Council and The Police and Crime Commissioner for Sussex, all divided by the tax base. At its meeting on 5 December 2017, the Cabinet approved the tax base for the Chichester District and for each of the Parish/Town Council areas for 2018-19 totalling 52,804.3 Band D equivalents.
- 3.1.5 For the purpose of calculating council tax, dwellings are allocated to valuation bands and the amount of Council Tax paid for dwellings in each band is calculated using nationally set weightings for each band.
- 3.1.6 Since the February meeting of Cabinet, the precept levels of the other precepting bodies have been received. These are detailed as follows:

Parish and Town Councils

The Parish and Town Council precepts for 2018-19 are detailed in Appendix C and total £3,070,811. The increase in the average Band D Council Tax for Parish and Town Councils is 2.55% and results in an average Band D Council Tax figure of £58.15 for 2018-19

West Sussex County Council

West Sussex County Council met on 16 February 2018 and set their precept at £69,584,450.45. This results in a Band D Council Tax of £1,317.78, a 4.95% increase on the previous year.

The Police and Crime Commissioner for Sussex

The Police and Crime Commissioner for Sussex met on 7 February 2018 and set their precept at £8,760,761.41. This results in a Band D Council Tax of £165.91, an increase of 7.80% on the previous year.

3.2 Explanatory Note

- 3.2.1 The Act specifies the calculations required and the resolution is structured to meet those requirements. The resolution is divided into the following sections:

- a) Council Tax Base (Resolution 1)

This resolution stipulates the Council Tax Base for the forthcoming financial year, as agreed by the Cabinet at its meeting on 5 December 2017.

- b) Council Tax Requirement (Resolution 2)

This resolution sets the Councils own Council Tax Requirement for the purpose of setting council tax. It represents the amount of council tax that the Council must collect from the council tax payers in its area to fund the budget for its own activities for the forthcoming year.

The Council Tax Requirement is calculated by taking the Council's Net Revenue Budget for 2018-19 of £13,025,600, and deducting the aggregate of the amount of support the Council receives from the government in the form of the Formula Grant and other Non-specific Grants, and transfers to or from the Collection Fund.

c) Basic Amount of Council Tax (Resolution 3)

This resolution sets the Basic Amount of Council Tax for each part of the Council's area. These amounts are based on precepts from parish councils in addition to the budget for the Council's own activities and hence the Basic Amount of Council Tax differs between parts of the Council's area.

d) Precepts of Major Precepting Authorities (Resolution 4)

As a billing authority, the Council also collects council tax in its area on behalf of West Sussex County Council and The Police and Crime Commissioner for Sussex. The amount that they precept is based on their Council Tax Requirement, divided between West Sussex districts and boroughs in proportion to the number of Band D equivalent dwellings in each district/borough area.

e) Setting of Council Tax (Resolution 5)

This resolution sets out the total amount of council tax payable for each category of dwelling and for each part of the Council's area, including the basic amount for each part of the Council's area plus the amounts precepted by West Sussex County Council and The Police and Crime Commissioner for Sussex.

f) Excessive Council Tax Increases (Resolution 6)

The Localism Act 2011 abolished the council tax capping regime in England and introduced a new chapter into the Local Government Finance 1992 Act, making provision for council tax referendums to be held if an authority increases its council tax by an amount exceeding principles determined by the Secretary of State and agreed by the House of Commons.

Under Section 52ZC of the 1992 Act, the principles for 2018-19 are, that authorities such as Chichester (i.e. any shire district council) are required to seek approval from their electorate in a referendum if, compared with 2017-18, they set a council tax increase of above £5.00 and which also represents 3% or greater increase year on year.

Section 52ZB of the 1992 Act requires the Council to determine whether its Relevant Basic Amount of Council Tax is excessive in accordance with these principles.
