February 2015

Dear Committee Members

## Audit Plan

We are pleased to attach our Audit Plan which sets out how we intend to carry out our responsibilities as auditor. Its purpose is to provide the Corporate Governance & Audit Committee with a basis to review our proposed audit approach and scope for the 2014/15 audit in accordance with the requirements of the Audit Commission Act 1998, the Code of Audit Practice, Standing Guidance, auditing standards and other professional requirements. It is also to ensure that our audit is aligned with the Committee's service expectations.

This plan summarises our initial assessment of the key risks driving the development of an effective audit for the Council, and outlines our planned audit strategy in response to those risks.

We welcome the opportunity to discuss this plan with you on 12 March 2015 and to understand whether there are other matters which you consider may influence our audit.

Yours faithfully

Paul King  
*For and behalf of Ernst & Young LLP*

In March 2010 the Audit Commission issued a revised version of the 'Statement of responsibilities of auditors and audited bodies' ('Statement of responsibilities'). It is available from the Chief Executive of each audited body and via the [Audit Commission's website](#).

The Statement of responsibilities serves as the formal terms of engagement between the Audit Commission's appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The Standing Guidance serves as our terms of appointment as auditors appointed by the Audit Commission. The Standing Guidance sets out additional requirements that auditors must comply with, over and above those set out in the Code of Audit Practice 2010 (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Annual Plan is prepared in the context of the Statement of responsibilities. It is addressed to the Audit Committee, and is prepared for the sole use of the audited body. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure - If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

# 1. Overview

## Context for the audit

This Audit Plan covers the work that we plan to perform to provide you with:

- ▶ our audit opinion on whether the financial statements of Chichester District Council give a true and fair view of the financial position as at 31 March 2015 and of the income and expenditure for the year then ended; and
- ▶ a statutory conclusion on the Council's arrangements to secure economy, efficiency and effectiveness.

We will also review and report to the National Audit Office (NAO), to the extent and in the form required by them, on the Council's Whole of Government Accounts return.

When planning the audit we take into account several key inputs:

- ▶ strategic, operational and financial risks relevant to the financial statements;
- ▶ developments in financial reporting and auditing standards;
- ▶ the quality of systems and processes;
- ▶ changes in the business and regulatory environment; and
- ▶ management's views on all of the above.

By considering these inputs, our audit is focused on the areas that matter and our feedback is more likely to be relevant to the Council. Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

In parts three and four of this plan we provide more detail on the above areas and we outline our plans to address them. Our proposed audit process and strategy are summarised below and set out in more detail in section five.

We will provide an update to the Corporate Governance & Audit Committee on the results of our work in these areas in our report to those charged with governance scheduled for delivery in September 2015.

## Our process and strategy

### Financial statement audit

We consider materiality in terms of the possible impact of an error or omission on the financial statements and set an overall planning materiality level. We then set a tolerable error to reduce the probability that the aggregate of uncorrected and undetected misstatements exceeds planning materiality to an appropriately low level. We also assess each disclosure and consider qualitative issues affecting materiality as well as quantitative issues.

Our initial assessment of the key processes across the entity has identified the following key processes where we will seek to test key controls, both manual and IT:

- ▶ Accounts receivable
- ▶ Accounts payable

- ▶ Business rates
- ▶ Council tax
- ▶ Cash and bank (Cash receipting)
- ▶ Housing benefits and council tax reduction
- ▶ Payroll

To the fullest extent permissible by auditing standards, we will seek to rely on the work of internal audit wherever possible.

**Arrangements for securing economy, efficiency and effectiveness**

Our approach to the value for money (VFM) conclusion for Chichester District Council for 2014/15 is based on criteria specified by the Audit Commission relating to whether there are proper arrangements in place within the Council for:

- ▶ securing financial resilience
- ▶ challenging how the Council secures economy, efficiency and effectiveness.

We adopt an integrated audit approach, so our work on the financial statement audit feeds into our consideration of the arrangements in place for securing economy, efficiency and effectiveness.

Further detail is included in section 4 of this Audit Plan.

## **2. The Local Audit and Accountability Act 2014**

The Local Audit and Accountability Act 2014 (the 2014 Act) closes the Audit Commission and repeals the Audit Commission Act 1998.

The 2014 Act requires the Comptroller and Auditor General to prepare a Code of Audit Practice. This must be laid before Parliament and approved before 1 April 2015.

Although this new Code will apply from 1 April 2015, transitional provisions within the 2014 Act provide for the Audit Commission's 2010 Code to continue to apply to audit work in respect of the 2014/15 financial year. This plan is therefore prepared on the basis of the continued application of the 2010 Code of Audit Practice throughout the 2014/15 audit.

### 3. Financial statement risks

We outline below our assessment of the financial statement risks facing the Council, identified through our knowledge of the Council's operations and discussion with those charged with governance and officers.

At our meeting, we will seek to validate these with you.

Significant risks (including fraud risks)	Our audit approach
<b>Risk of management override</b>	
<p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<p>Our approach will focus on:</p> <ul style="list-style-type: none"> <li>▶ testing the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements</li> <li>▶ reviewing accounting estimates for evidence of management bias, and</li> <li>▶ evaluating the business rationale for significant unusual transactions</li> </ul>

We will also follow-up the issues raised from our 2013/14 audit that we reported in our audit results report, which were:

- ▶ The need to continue to address the weaknesses we highlighted in the Council's approach to estimating the provision required to account for the potential cost of successful appeals against national non-domestic rates (NNDR) valuations.
- ▶ To improve the level of evidence supporting the income included in the Council's financial statements for the sale of Council dwellings by Hyde Housing Association Limited to which the Council is contractually entitled, and consider the accounting treatment for the income and any associated debtor.

#### Respective responsibilities in relation to fraud and error

We would like to take this opportunity to remind you that management has the primary responsibility to prevent and detect fraud. It is important that management, with the oversight of those charged with governance, has a culture of ethical behaviour and a strong control environment that both deters and prevents fraud.

Our responsibility is to plan and perform audits to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatements whether caused by error or fraud. As auditors, we approach each engagement with a questioning mind that accepts the possibility that a material misstatement due to fraud could occur, and design the appropriate procedures to consider such risk.

Based on the requirements of auditing standards our approach will focus on:

- ▶ identifying fraud risks during the planning stages;
- ▶ enquiry of management about risks of fraud and the controls to address those risks;
- ▶ understanding the oversight given by those charged with governance of management's processes over fraud;
- ▶ consideration of the effectiveness of management's controls designed to address the risk of fraud;
- ▶ determining an appropriate strategy to address any identified risks of fraud; and
- ▶ performing mandatory procedures regardless of specifically identified fraud risks.

We will consider the results of the National Fraud Initiative and may refer to it in our reporting to you.

## 4. Economy, efficiency and effectiveness

Our approach to the value for money (VFM) conclusion for Chichester District Council for 2014/15 is based on criteria specified by the Audit Commission relating to whether there are proper arrangements in place at the Council for securing:

- financial resilience, and
- economy, efficiency and effectiveness in the use of resources.

The Audit Commission VFM guidance for 2014/15 requires that auditors consider and assess the significant risks of giving a wrong conclusion and carry out as much work as is appropriate to enable them to give a safe conclusion on arrangements to secure VFM.

Our assessment of what is a significant risk is a matter of professional judgement, and is based on consideration of both quantitative and qualitative aspects of the subject matter in question.

We have not identified any significant risks to the value for money (VFM) conclusion. However, we have identified the following key areas that we will consider to support our VFM conclusion.

Other risk	Impacts arrangements for securing:	Our audit approach
<b>Delivering efficiencies to secure financial resilience</b>		
<p>Like other local government bodies the Council continues to face financial challenges over the medium term. A clear focus on addressing high cost areas is therefore essential to the economy, efficiency and effectiveness of services delivered and the overall financial resilience of the Council.</p>	<p>Economy, efficiency and effectiveness</p> <p>Financial resilience</p>	<p>Our approach will focus on:</p> <ul style="list-style-type: none"> <li>▶ Consideration of the relative spending of the Council by reference to comparable authorities and previous years using the Audit Commission’s VFM profile tool.</li> <li>▶ Review of the reasonableness and robustness of medium term financial planning assumptions set out in the refreshed medium term financial strategy and plan and five-year financial model.</li> </ul>
<p>In previous years we have used the Audit Commission’s value for money profile tool to assess Council spending against similar councils and over time. Our review of the 2013/14 VFM profile data showed that that the Council’s costs per capita relative to its statistical nearest neighbours remained relatively high. However, this was partially offset by a relatively high level of income from fees and charges resulting in an average council tax financing requirement.</p>		

Other risk	Impacts arrangements for securing:	Our audit approach
<p>The Council's financial position remained sound at the end of 2013/14 and it continued to be financially resilient. The Council's medium term financial model has been updated to consider the 5 year future period up to and including 2019/20. For the first four years the Council budgets to deliver surpluses of between £258,000 and £827,000, and forecasts break-even in year five. The delivery of this forecast is not without risk and is dependent on the delivery of the Council's agreed deficit reduction programme and the realisation of other additional income.</p>		

We will keep our risk assessment under review throughout our audit and communicate to the Corporate Governance & Audit Committee any revisions to the specific risks identified here and any additional local risk-based work we may need to undertake as a result.

## 5. Our audit process and strategy

### 5.1 Objective and scope of our audit

Under the Audit Commission's Code of Audit Practice ('the Code') our principal objectives are to review and report on, the Council's:

- ▶ financial statements
- ▶ arrangements for securing economy, efficiency and effectiveness in its use of resources

to the extent required by the relevant legislation and the requirements of the Code.

We issue a two-part audit report covering both of these objectives.

#### i) Financial statement audit

Our objective is to form an opinion on the financial statements under International Standards on Auditing (UK and Ireland).

We will also review and report to the NAO on the Whole of Government Accounts return to the extent and in the form they require.

#### ii) Arrangements for securing economy, efficiency and effectiveness

The Code sets out our responsibility to satisfy ourselves that the Council has proper arrangements to secure economy, efficiency and effectiveness in its use of resources. In arriving at our conclusion, we will rely as far as possible on the reported results of the work of other statutory inspectorates on corporate or service performance.

In examining the Council's corporate performance management and financial management arrangements, we consider the following criteria and areas of focus specified by the Audit Commission:

- ▶ arrangements for securing financial resilience – whether the Council has robust systems and processes to manage financial risks and opportunities effectively, and to secure a stable financial position that enables it to continue to operate for the foreseeable future.
- ▶ arrangements for securing economy, efficiency and effectiveness - whether the Council is prioritising its resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity.

### 5.2 Audit process overview

#### Processes

Our initial assessment of the key processes across the Council has identified the following key processes where we will seek to test key controls, both manual and IT:

- ▶ Accounts receivable
- ▶ Accounts payable
- ▶ Business rates
- ▶ Council tax
- ▶ Cash and bank (Cash receipting)

- ▶ Housing benefits and council tax reduction
- ▶ Payroll

We also note that the Council has introduced its new Civica general ledger system for 2014/15 with integrated account receivable and payable modules. We plan to undertake procedures to gain assurance that 2013/14 closing balances have been brought forward correctly, and to consider the impact of the new system on the Council's arrangements to close down the ledger and produce the draft financial statements.

### **Analytics**

We will use our computer-based analytics tools to enable us to capture whole populations of your financial data, in particular journal entries and payroll data. These tools:

- ▶ help identify specific exceptions and anomalies which can then be subject to more traditional substantive audit tests
- ▶ give greater likelihood of identifying errors than random sampling techniques.

We will report the findings from our process and analytics work, including any significant weaknesses or inefficiencies identified and recommendations for improvement, to management and the Corporate Governance & Audit Committee.

### **Internal audit**

As in prior years, we will review internal audit plans and the results of their work. We will reflect the findings from these reports, together with reports from any other work completed in the year, in our detailed audit plan, where we raise issues that could have an impact on the year-end financial statements.

### **Use of experts**

We will use specialist EY resource as necessary to help us to form a view on judgments made in the financial statements. Our plan currently includes involving specialists in pensions, and property, plant and equipment valuations.

### **Mandatory procedures required by auditing standards**

As well as the financial statement risks outlined in section three, we must perform other procedures as required by auditing, ethical and independence standards, the Code and other regulations. We outline below the procedures we will undertake during the course of our audit.

#### ***Procedures required by standards***

- ▶ addressing the risk of fraud and error;
- ▶ significant disclosures included in the financial statements;
- ▶ entity-wide controls;
- ▶ reading other information contained in the financial statements and reporting whether it is inconsistent with our understanding and the financial statements; and
- ▶ auditor independence.

#### ***Procedures required by the Code***

- ▶ reviewing, and reporting on as appropriate, other information published with the financial statements, including the Annual Governance Statement

- ▶ reviewing and reporting on the Whole of Government Accounts return, in line with the instructions issued by the NAO
- ▶ reviewing and examining, where appropriate, evidence relevant to the Council's corporate performance management and financial management arrangements, and its reporting on these arrangements.

### **5.3 Materiality**

For the purposes of determining whether the financial statements are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in aggregate, could reasonably be expected to influence the users of the financial statements. Our evaluation requires professional judgement and so takes into account qualitative as well as quantitative considerations implied in the definition. We have determined that overall materiality for the financial statements of the Council is £1,456,000 based on 2% of 2013/14 gross service expenditure.

We will communicate uncorrected audit misstatements greater than £72,000 to you.

The amount we consider material at the end of the audit may differ from our initial determination. At this stage, however, it is not feasible to anticipate all the circumstances that might ultimately influence our judgement. At the end of the audit we will form our final opinion by reference to all matters that could be significant to users of the financial statements, including the total effect of any audit misstatements, and our evaluation of materiality at that date.

### **5.4 Fees**

The Audit Commission has published a scale fee for all authorities. This is defined as the fee required by auditors to meet statutory responsibilities under the Audit Commission Act in accordance with the Code of Audit Practice 2010. The indicative fee scale for the audit of Chichester District Council is £64,553.

### **5.5 Your audit team**

The engagement team is led by Paul King, who has significant experience of a wide range of local government and other public sector audits. Paul is supported by Simon Mathers who is responsible for the day-to-day direction of audit work and is the key point of contact for the Accountancy Services Manager..

### **5.6 Timetable of communication, deliverables and insights**

We have set out below a timetable showing the key stages of the audit, including the VFM work and the Whole of Government Accounts. The timetable includes the deliverables we have agreed to provide to the Council through the Corporate Governance & Audit Committee's cycle in 2014/15. These dates are determined to ensure our alignment with the Audit Commission's rolling calendar of deadlines.

From time to time matters may arise that require immediate communication with the Corporate Governance & Audit Committee and we will discuss them with the Committee Chair as appropriate.

Following the conclusion of our audit we will prepare an Annual Audit Letter to communicate the key issues arising from our work to the Council and external stakeholders, including members of the public.

<b>Audit phase</b>	<b>Timetable</b>	<b>Corporate Governance &amp; Audit Committee timetable</b>	<b>Deliverables</b>
High level planning	<b>Ongoing</b>	<b>June 2014</b>	Audit Fee letter Progress Reports
Risk assessment and setting of scopes	<b>Dec 2014 – March 2015</b>	<b>March 2015</b>	Audit Plan
Testing routine processes and controls	<b>Feb – April 2015</b>	<b>June 2015</b>	Report to those charged with governance via the Audit Results Report  Progress Report
Year-end audit and audit completion	<b>July – August 2015</b>	<b>September 2015</b>	Report to those charged with governance via the Audit Results Report  Audit report (including our opinion on the financial statements; [our opinion on the regularity of your expenditure and income]; and overall value for money conclusion).  Audit completion certificate  Reporting to the NAO on the Whole of Government Accounts return.
Conclusion of reporting	<b>October 2015</b>	<b>November 2015</b>	Annual Audit Letter

In addition to the above formal reporting and deliverables we will seek to provide practical business insights and updates on regulatory matters.

## 6. Independence

### 6.1 Introduction

The APB Ethical Standards and ISA (UK and Ireland) 260 “Communication of audit matters with those charged with governance”, requires us to communicate with you on a timely basis on all significant facts and matters that bear on our independence and objectivity. The Ethical Standards, as revised in December 2010, require that we do this formally both at the planning stage and at the conclusion of the audit, as well as during the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications	
Planning stage	Final stage
<ul style="list-style-type: none"> <li>▶ The principal threats, if any, to objectivity and independence identified by EY including consideration of all relationships between you, your affiliates and directors and us;</li> <li>▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality Review;</li> <li>▶ The overall assessment of threats and safeguards;</li> <li>▶ Information about the general policies and process within EY to maintain objectivity and independence.</li> </ul>	<ul style="list-style-type: none"> <li>▶ A written disclosure of relationships (including the provision of non-audit services) that bear on our objectivity and independence, the threats to our independence that these create, any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;</li> <li>▶ Details of non-audit services provided and the fees charged in relation thereto;</li> <li>▶ Written confirmation that we are independent;</li> <li>▶ Details of any inconsistencies between APB Ethical Standards, the Audit Commission’s Standing Guidance and your policy for the supply of non-audit services by EY and any apparent breach of that policy; and</li> <li>▶ An opportunity to discuss auditor independence issues.</li> </ul>

During the course of the audit we must also communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of our safeguards, for example when accepting an engagement to provide non-audit services.

We also provide information on any contingent fee arrangements, the amounts of any future contracted services, and details of any written proposal to provide non-audit services;

We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period are disclosed, analysed in appropriate categories.

## **6.2 Relationships, services and related threats and safeguards**

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including any principal threats. However we have adopted the safeguards below to mitigate these threats along with the reasons why they are considered to be effective.

### ***Self-interest threats***

A self-interest threat arises when EY has financial or other interests in your entity. Examples include where we have an investment in your entity; where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with the Council.

At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake permissible non-audit services, and we will comply with the policies that the Council has approved and that are in compliance with the Audit Commission's Standing Guidance.

At the time of writing, we have no planned 2014/15 non-audit work.

A self-interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to the Council. We confirm that no member of our audit engagement team, including those from other service lines, is in this position, in compliance with Ethical Standard 4.

There are no other self-interest threats at the date of this report.

### ***Self-review threats***

Self-review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements.

There are no other self-review threats at the date of this report.

### ***Management threats***

Partners and employees of EY are prohibited from taking decisions on behalf of management of your entity. Management threats may also arise during the provision of a non-audit service where management is required to make judgements or decisions based on that work.

There are no management threats at the date of this report.

### ***Other threats***

Other threats, such as advocacy, familiarity or intimidation, may arise.

There are no other threats at the date of this report.

### ***Overall Assessment***

Overall we consider that the adopted safeguards appropriately mitigate the principal threats identified, and we therefore confirm that EY is independent and the objectivity and independence of Paul King, and the audit engagement team have not been compromised.

### **6.3 Other required communications**

EY has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained.

Details of the key policies and processes within EY for maintaining objectivity and independence can be found in our annual Transparency Report, which the firm is required to publish by law. The most recent version of this report is for the year ended 27 June 2014 and can be found here:

<http://www.ey.com/UK/en/About-us/EY-UK-Transparency-Report-2014>

## Appendix A Fees

A breakdown of our agreed fee is shown below.

	Planned Fee 2014/15	Out-turn 2013/14	Scale fee 2013/14	Explanation
	£	£	£	
Opinion Audit and VFM Conclusion	65,453	65,453	64,553	The 2013/14 outturn includes £900 billed for additional work on NNDR following removal of the NNDR grant claim from the programme of grant claim work under the Audit Commission regime. This is now treated as a permanent variation to the scale fee.
<b>Total Audit Fee – Code work</b>	<b>65,453</b>	<b>65,453</b>	<b>64,553</b>	
Certification of claims and returns *	10,010	10,463	5,456	Only the housing benefit subsidy claim is subject to audit at the Council. The housing benefit subsidy claim scale fee was set based on work completed in 2011/12, when no additional testing was required to be undertaken and the claim was not subject to amendment or qualification. Additional testing was required on the 2013/14 claim which was also subject to both amendment and qualification. Additional fee was charged for this extra work.
<b>Non-audit work:</b>				
Advisory services for value for money through modernisation	-	-	N/A	

*All fees exclude VAT.*

The agreed fee presented above is based on the following assumptions:

- ▶ officers meeting the agreed timetable of deliverables;

- ▶ the operating effectiveness of the internal controls for the key processes outlined in section 5.2 above;
- ▶ we can rely on the work of internal audit as planned;
- ▶ the Audit Commission making no significant changes to the use of resources criteria on which our conclusion will be based;
- ▶ our accounts opinion and use of resources conclusion being unqualified;
- ▶ appropriate quality of documentation is provided by the Council; and
- ▶ the Council has an effective control environment.

If any of the above assumptions prove to be unfounded, we will seek a variation to the agreed fee. This will be discussed with the Council in advance.

Fees for the auditor's consideration of correspondence from the public and formal objections will be charged in addition to the scale fee.

\*Our fee for the certification of grant claims is based on the indicative scale fee set by the Audit Commission.

## Appendix B UK required communications with those charged with governance

There are certain communications that we must provide to the Corporate Governance & Audit Committee. These are detailed here:

Required communication	Reference
<p><b>Planning and audit approach</b> Communication of the planned scope and timing of the audit including any limitations.</p>	<p>▶ Audit Plan</p>
<p><b>Significant findings from the audit</b></p> <ul style="list-style-type: none"> <li>▶ our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures</li> <li>▶ significant difficulties, if any, encountered during the audit</li> <li>▶ significant matters, if any, arising from the audit that were discussed with management</li> <li>▶ written representations that we are seeking</li> <li>▶ expected modifications to the audit report</li> <li>▶ other matters if any, significant to the oversight of the financial reporting process</li> </ul>	<p>▶ Report to those charged with governance</p>
<p><b>Misstatements</b></p> <ul style="list-style-type: none"> <li>▶ uncorrected misstatements and their effect on our audit opinion</li> <li>▶ the effect of uncorrected misstatements related to prior periods</li> <li>▶ a request that any uncorrected misstatement be corrected</li> <li>▶ in writing, corrected misstatements that are significant</li> </ul>	<p>▶ Report to those charged with governance</p>
<p><b>Fraud</b></p> <ul style="list-style-type: none"> <li>▶ enquiries of the Audit Committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the entity</li> <li>▶ any fraud that we have identified or information we have obtained that indicates that a fraud may exist</li> <li>▶ a discussion of any other matters related to fraud</li> </ul>	<p>▶ Report to those charged with governance</p>
<p><b>Related parties</b> Significant matters arising during the audit in connection with the entity's related parties including, when applicable:</p> <ul style="list-style-type: none"> <li>▶ non-disclosure by management</li> <li>▶ inappropriate authorisation and approval of transactions</li> <li>▶ disagreement over disclosures</li> <li>▶ non-compliance with laws and regulations</li> <li>▶ difficulty in identifying the party that ultimately controls the entity</li> </ul>	<p>▶ Report to those charged with governance</p>
<p><b>External confirmations</b></p> <ul style="list-style-type: none"> <li>▶ management's refusal for us to request confirmations</li> <li>▶ inability to obtain relevant and reliable audit evidence from other procedures</li> </ul>	<p>▶ Report to those charged with governance</p>
<p><b>Consideration of laws and regulations</b></p> <ul style="list-style-type: none"> <li>▶ audit findings regarding non-compliance where the non-</li> </ul>	<p>▶ Report to those charged with</p>

Required communication	Reference
