Stance: Customer objects to the Licensing Application

Comment Reasons:

Comment:5:24 PM on 25 Mar 2019 I wish to object to the application in relation to:

1. The use of the patio area by any person beyond the current permitted/licensed hour of 10pm.
2. That any recorded music cease by 11pm on all nights and a DJ be permitted solely for specific events, eg New Year's Eve.

I wish to add that this is now a predominantly residential area and the extension applied for by the Licensee is incompatible with this. An increase in noise disturbance is already noticeable with the recent re-opening of 'Woodies' as at the 23rd March. Music was audible from the premises on Saturday, after midnight, due to people leaving and returning through the rear, or car park, exit. The noise and disturbance associated with this will only increase as the weather improves.
