Dear Sir/Madam,

Licensing Act 2003

Mr Henry Clark

Priory Park Priory Lane Chichester West Sussex

Case Reference Number: 19/00882/LAPRE

Premises Licence Application

I write regarding the above Premises Licence application relating to Priory Park, Chichester.

As you will be aware, the representation period concluded on 12th June 2019. I can confirm that we received a total of 15 representations, all from members of the public, two of which are in support and 13 in objection. Given the number of objection representations received, we are now in the process of arranging a date for a hearing of the Alcohol and Entertainment Licensing Sub-Committee at which the application may have to be considered and determined.

However by way of mediation, Ms Nikki England, agent as acting for the applicant Mr Henry Clark, has provided the attached documents and has asked that we forward these to you for your consideration. The documents include a general response to a number of points that have been raised, a separate document outlining a number of additional steps that it is proposed to implement in order to promote the four licensing objectives along with two references.

Having read the additional information that has been provided, I would be most grateful if you could please confirm by no later than the end of this Friday (28th) as to whether in principle you would be prepared to withdraw your representation in light of the additional information and

assurances that have been given. Ms England has confirmed to me that she is fully agreeable to additional conditions being attached to any Premises Licence granted based on the contents of the '*Premises Licence – Additional Licensing Objectives Information*' document referred to above.

Naturally once a hearing date has been arranged, a notice of hearing will be issued.

Yours faithfully,

David Knowles-Ley
