Stance: Customer objects to the Licensing Application

Comment Reasons:

Comment:22/03/2021 11:42 AM We strongly object to the above application for extending the licensing hours of the Waterfront Quays. The reasons are ;

Unacceptable noise levels in the early hours of the morning, midweek as well as weekend, disturbing local residents and other caravan park users, particularly families with young children.

Unruly, anti social behaviour which unfortunately comes with longer drinking hours, and the effect this will have on the residents immediately next to the venue.

The complete lack of a police presence in Selsey with the possibility this could encourage drink driving .
