Stance: Customer objects to the Licensing Application

Comment Reasons:

Comment:24/03/2021 12:35 PM I strongly object to this licensing application The noise & risk to public safety are my number one objection.

Surely, having the site apply for TENS temporary event notices as needed to ensure the licensing agents keep control would be the best option.

Environmental Agency should be contacted and involved in all decisions as the sanctuary this site sits on, the wildlife would be disturbed to a point some water birds may chose to leave permanently.
