Re application 21/00207/LAPREI

Dear Mr Knowles-Ley,

I wish to express my objection to the above application which will extend the licensing hours from 9.0am to 3am six days per week. Living within a quarter of a mile from the Embassy Club, this proposed extension to the licensing hours will inevitably increase the noise disturbance.

In addition, the related Cove application for a significant extension of their premises to include a large open air terrace to the Waterfront Quays will cause further disturbance to local residents.

There is also a risk that these extended licensing hours could encourage anti-social behaviour and increase the pressure from other licensed premises in the area to seek similar extensions.

Yours faithfully,

Nigel G. Stevens
