Dear Sir/Madam,

I would like to raise an objection to the above applications:

1. We live on West Street and we hear the fun fayre at Bunn Leisure all the summer months during daylight hours.
2. If an extension is granted we will have noise pollution up until 03:00 throughout the summer.
3. If there is an extension then it must be inside only – if at all.
4. Our bedrooms look out over the paddocks towards the complex and the noise will undoubtedly travel.
5. I am confused as to why work has started when the planning application has not yet been granted.

I respectfully request that you reject this application.

Best wishes,

Tom Bromfield
