Comment Reasons:

Comment:19/03/2021 6:59 PM We strongly object to this application. We live at the beach end of West Street and can hear the entertainment (Fun Fair) from our house. A family caravan park does not need to have entertainment going every night of the week until 3am especially as they now want to hold entertainment outside as well as inside. The noise would carry quite far and disrupt half of selsey's populations sleep.

Currently I believe children are allowed in the bar, will they be joining their parents until 3am in these bars/entertainment events? This license application opens up a lot of questions about how they are now joining bars and clubs together mixing children, with drink and perhaps inappropriate entertainment. Perhaps the local trading standards officer should be made aware of the application.

Either Bunn Leisure are running a family holiday park and so holding age appropriate events and entertainment (i.e. finishing at 11pm) or is this now an adult only holiday park? I think the council need to look into Bunn Leisures plans for the future.

Whichever it is we strongly object.
