Stance: Customer objects to the Licensing Application

Comment Reasons:

Comment:24/03/2021 11:42 AM I strongly object to the issuing of an extension to this Licence for the following reasons, this site was originally a family run caravan park, for the use of families. It is now becoming a very large " Butlins Style " Holiday Theme Park. This style of holiday park brings with it a different sort of clientele. There is already an element of anti social behaviour happening in Crablands and Drift Lane which is being tolerated by the residents because of a lack of Police presence in Selsey. They DO respond when there is a serious disturbance in the caravan park itself.

Most of the anti social behaviour is alcohol fuelled an extension would only exasperate the local residents problems because of the noise generated from drink fuelled people walking and DRIVING on our streets. Please do NOT grant this extension.
