Comment: 18/04/2021 1:22 PM I have lived on Fernden lane for 55 years I am one of Fernden lane's longest resident. I am very unhappy about this as Fernden lane is already far too busy for a residential single track lane. The state of the lane is so bad already it can't cope with more traffic especially lorries delivery large amount of alcohol and getting stuck. Please stop this!
