Subject: Premises licence application for Luckes at No.40, North Street, Chichester

Dear Ian,

Hello. Re the above application, I am quite happy with all the conditions offered in part M of the application, but would like to see the below please under the Protection of Children from Harm:

The Premises Licence Holder shall ensure that all staff members (including family members and friends) engaged or to be engaged, in selling alcohol at the premises shall receive induction training. This training will take place prior to the selling of such products:

- the lawful selling of age restricted products
- refusing the sale of alcohol to a person who is drunk

Further verbal reinforcement/refresher training covering the above will be carried out thereafter at intervals not to exceed six months, with the date and time of the verbal reinforcement/refresher training documented.

All such training undertaken by staff members shall be fully documented and recorded and signed and dated by both the employee and the DPS. All training records shall be kept on the premises and made available to officers of any responsible authority upon request.

No doubt you will consult with your applicant come back to me.

I would also request that you recommend to your client that when they have SIA door staff, the door staff ALWAYS have Body Worn Video with sound (ideally with a continuous recording facility to negate the risk of door staff 'forgetting' to switch it on...) whenever they are on duty. This protects your client when there are unfounded or malicious claims of assault and alleged heavy handed ejections or assaults by door staff.

Thanks.

David
