2. Recommendation

2.1. That the review of political balance arrangements set out below be noted.

3. Background

3.1. The council has a duty, under Section 15 of the Local Government and Housing Act 1989 to maintain the representation of different political groups in line with the political balance rules set out in the Act and subordinate regulations. This provides the framework for the appointments to committees.

4. Proposal - the rules and their application

4.1. Following the elections, the Green and Local Alliance groups have formally decided to form a single group. The composition of the Council by Group is therefore as follows:

Conservatives = 5 (14%)
Liberal Democrats = 25 (69%)
Green / Local Alliance = 6 (17%)

4.2. Many of the seats have to be allocated in accordance with the rules of political balance. The following principles apply so far as reasonably practicable. They are applied in descending order of importance and are quoted in plain English rather than wording taken directly from the statute:

- a) Not all seats on the committee are allocated to the same political group.
- b) The majority party has a majority of the seats on each committee.
- c) Each political group is entitled to its proportion of the total number of seats on all the ordinary committees added together, according to the proportion the group holds of seats on the Full Council.
- d) Subject to (c) each political group is entitled to its proportion of the number of seats on each individual committee.

4.3. The four ordinary committees concerned are:

Corporate Governance and Audit Committee	8 seats
Planning Committee	13 seats
Alcohol and Entertainment Licensing Committee and General Licensing Committee	10 seats

Standards Committee	7 seats
Total	38 seats

4.4. The total seats due per group are as follows:

Conservatives	38 x composition 14% = seats (5.28 rounded to 5)
Liberal Democrats	38 x composition 69% = seats (26.39 rounded to 27)
Green Party / Local Alliance	38 x composition 17% = seats (6.33 rounded to 6)

4.5. If these proportions are applied to individual committees the initial position under the statutory framework are as indicated in Table 1:

Table 1	Con	LD	Green / LA
Corporate Governance and Audit Committee (8)	1	6	1
Planning Committee (13)	2	9	2
Alcohol and Entertainment Licensing Committee and General Licensing Committee (10)	1	7	2
Standards Committee (7)	1	5	1
Total (38)	5	27	6

4.6. The Overview and Scrutiny Committee is not included in the list above but the entitlement to seats on it still need to be allocated to parties in the proportion of seats that they have on the whole Council as indicated in Table 2 below.

Table 2	Con	LD	Green / LA
Overview and Scrutiny Committee (11)	1	8	2

4.7. The various committees and panels concerned with discipline and dismissal of senior staff are also not ordinary committees but still need to be allocated to parties in the proportion of seats that they have on the whole Council. The entitlement is set out below in table 3.

Table 3	Con	LD	Green / LA
Investigation and Disciplinary Committee (5+2 subs)	1	5	1
Appeals Committee (5 + 2 subs)	1	5	1
Executive Directors Disciplinary Appeal Panel (3 + 2 subs)	1	3	1
Redundancy Appeal Panel (3 + 2 subs)	1	3	1

4.8. The political groups regulations do not apply to the Cabinet, the Alcohol and Entertainment Licensing Committee established under the Licensing Act 2003 and the Independent/Parish Remuneration Panels. Additionally certain panels are required to be appointed from Cabinet and they shall be considered and appointed at the Cabinets first meeting in June.

4.9. Generally the Council is obliged to appoint to the committees the members proposed by the respective political groups (section 16 (1) of the Local

Government and Housing Act 1989). However, the Council does not have to adhere to the political groups regulations if:

- a) a political group does not use up its allocation (regulations 13 to 15).
- b) notice of alternative proposed allocations is given to all members and no member objects (Section 17 of the Local Government and Housing Act 1989 and regulation 20).
- c) an area committee covers an area or population which is less than 40% of the total and the committee members are drawn from that area (regulation 16A) (this does not apply as the council has no area committees).

5. Alternatives Considered

5.1. No alternatives were considered as this is a statutory obligation.

6. Resource and Legal Implications

6.1. The normal obligations to hold meetings were suspended by operation of the Coronavirus Act 2020 but the Council remains entitled to make decisions as to committee membership if it so decides and may make those decisions in virtual meetings.

7. Consultation
