

Appendix 4 - Details of receipts reaching their expenditure target by contribution

In the column 'Expires' an asterisk (*) indicates a notional 5 year repayment date. It shows that a repayment date was not specified in the S106 agreement, but CDC Service Departments aim to spend the Contribution within 5 years, the point at which a developer can ask to vary the agreement if the contribution has not been spent. This includes asking for the contribution to be returned if it has not been spent because the need for it has not been justified.
