There were no matters arising.

#### **4      Declarations of Interest**

In relation to agenda item seven although Mrs Plant did not declare an interest she explained that she had previously held a post at a Citizen's Advice Bureau (CAB).

Mr JW Elliott declared a prejudicial interest in relation to agenda item 10a due to a personal association with the supplier and withdrew from the room during the discussion.

#### **5      Outline of the Grants and Concessions Panel**

Mr Hyland explained that the Grants and Concessions Policy (last updated in 2015) details the terms of the reference for the Panel and the types of funding available including concessionary rent relief, discretionary rate relief, and discretionary grants. The annual budget for discretionary grant applications inclusive of fast track applications was confirmed as £175,000.

Mr Hyland outlined the fast track process for discretionary grant applications of less than £1,000. On average each fast track decision is made within four weeks following email discussion between the Fast Track Panel (Mrs Lintill, Mrs Graves and Mrs Tull). As Cabinet Member for Community Services Mrs Lintill has delegated powers to make the final decision which is reported at the next available Panel meeting and recorded in the minutes.

Mr Hyland also explained the current three priority areas for funding which are reviewed annually:

- Economy – helping viable start-up businesses and existing independent businesses to implement projects that create jobs, help business to grow and benefit the local economy (maximum £2,500)
- Improving Living Places and Spaces - improvements to publicly owned space or built assets that enhance the wellbeing of local residents or the habitats of the districts wildlife
- Targeted Projects - where the primary benefit is to those in greatest need – with priority given to projects benefiting Think Family Neighbourhoods in Chichester East, Chichester South, Tangmere and Selsey North

Mr Hyland confirmed that when an organisation shows initial interest in applying for a discretionary grant they are encouraged to speak to a Funding Advisor who will discuss whether it is the most appropriate funding route and how to apply. Funding Advisors score the applications and provide a written assessment to the Panel for consideration at the next available meeting. The Panel will discuss whether the application delivers on the priority areas before the Cabinet Member for Community Services makes the final decision on whether each application should be approved.

## **6 Concessionary Rent Application - Urgent Decision**

### **Arun and Chichester CAB**

Mrs McKay explained that the Arun and Chichester CAB lease for Theatre Lane, Chichester expired on 31 March 2017 and as a result of a delay to CAB moving into East Pallant House (EPH) an urgent three month extension to the concessionary rent had been agreed by Mrs Lintill.

#### **RESOLVED BY THE CABINET MEMBER FOR COMMUNITY SERVICES:**

## **7 Concessionary Rent Application**

Although Mrs Plant did not declare an interest she explained that she had previously held a post at a CAB.

### **Arun and Chichester CAB**

Mr Bradshaw explained that the Arun and Chichester CAB would be moving into EPH on 31 July 2017. He outlined the details of the rent agreement which would be subject to review in July 2019. Mrs McKay confirmed that once the site at Theatre Lane, Chichester had been vacated another occupant would be sought.

That the small business rent support scheme grants awarded to RJS Waste Management UK Limited, Quay Contracts Ltd and Mr Rodney Dixon be noted.

Mr Bradshaw and Mrs McKay left the meeting.

**9 Discretionary Rate Relief - Retrospective Reporting**

Mr Jobson explained that the business rates set in autumn 2016 had changed in April 2017 (excluding the thresholds for rural rate relief which remained the same). As a result on 1 April 2017 some rateable values rose above the threshold and an emergency request was made to replace the discount for a 12 month period.

Mr Jobson confirmed that the software required to calculate the rate relief had been delayed due to the Purdah period prior to the recent General Election. He provided an estimate on the number of customers likely to receive a rate reduction and explained that a small number of customers had received their reduction where it had been possible to work out manually.

Mr Jobson outlined government plans to fund a discretionary relief scheme over the next four years and detailed the funds the district would be likely to receive. He explained that information had been issued prior to the General Election which requires councils to create a new scheme. Mr Jobson confirmed that he aimed to seek Cabinet approval for a new scheme in September.

In response to Mrs Tull's question Mr Jobson clarified that rateable valuations are based on the profits of a business.

**RESOLVED BY THE CABINET MEMBER FOR COMMUNITY SERVICES IN CONSULTATION WITH THE GRANTS AND CONCESSIONS PANEL:**

That the retrospective discretionary rate relief awards made to Ainger Morgan Ltd, Jack and Jack Ltd, Muscari Inns Ltd and Mr M Long be noted.

Mr Day outlined a request made from Brandy Hole Copse Green Gym to extend the grant award deadline from November 2017 to March 2018 for the grant awarded in October 2016. He explained that following a delay to match funding it would be impractical to carry out the work required during the current season.

## **12 Grant Update**

Miss Williams reminded the Panel that in the financial year 2015/16 Funtington Parish Council Community Centre had been awarded £25,000 for the creation of a new community hall. She explained that the applicant had recently made contact to confirm that it had not been possible to progress this ambitious project and therefore the funding allocation will not be called on. The Panel were made aware that a new application may be received at some time in the future to support improvement of the existing building in East Ashling.

## **13 Draft Grants and Concessions Annual Report 2016/17**

Mr Hyland explained that the Panel had been asked to consider the draft annual report and provide feedback prior to further discussion at the October meeting. He confirmed that any recommendations to change the priorities would require Cabinet agreement in November.

Miss Williams explained that it had been possible to analyse changes to the number of economic bids following the 2015 review as the economic priority heading had remained the same, however other priority areas could not be analysed in the same way due to the introduction of new priorities. To support discussion about the impact of the changes made following the review, a summary was provided (for the Panels benefit and not for publication with the report) of key figures analysed proportionate to the 30% reduction in the total funding available.

Following a suggestion from the Panel to research the types of organisations approaching council local committees for grant funding Miss Williams agreed to report back to the October meeting.

The Panel discussed ways to advertise discretionary grants to relevant organisations. It was agreed that an article in Initiatives Magazine outlining how a grant had been successfully used would reach a district wide audience. The Panel also agreed it would be worth considering ways to reach community groups directly.

The Panel agreed to send any comments on the draft report to Mrs Lintill, Miss Williams or Mr Hyland. Mrs Plant requested a pie chart detailing the larger discretionary grants.

In response to Mrs Lintill's suggestion of a Grants and Concessions Tour Mr Hyland agreed that officers will look at options to enable the Panel to see what is achieved by organisations receiving funding.

Mrs Lintill noted the variety of groups and organisations helped by different types of grant funding.

The Panel thanked officers for their hard work.

Mr Cooper drew attention to the value of the applications to be considered at the meeting. He explained that since the last meeting fast track applications totalling £3,850 had been allocated from 2016/17 budget and fast track applications totalling £2,478 had been allocated from the 2017/18 budget.
